

US Amazon Voucher Program

08.01.2022 – 12.31.2022

Receive an Amazon Gift Voucher worth up to \$1,000 for a new customer WIN!

We would like to reward all Partner Account Executives and Partner Solution Architects for specific new customer wins that they bring to DataCore Software between August 1st, 2022 and December 31st, 2022! If you have an opportunity with a customer that is NEW to DataCore you can receive an Amazon Gift Voucher worth up to \$1,000.

For a **Partner Account Executive**, we are offering a \$100 Amazon Voucher for every DataCore Approved Lead Registration with a new customer opportunity. When this approved Lead Registration turns into an order before December 31st, 2022, we are offering an additional \$400 Amazon Voucher. For a Partner Solution Architect, we are offering a \$500 Amazon Voucher for an Approved Lead Registration that becomes an order before December 31st, 2022. We are also adding an additional **BONUS!** If the opportunity is with a new customers that is listed in our Target Account List, and we receive an order before December 31st, 2022, we will double the pay-out to \$1,000 to the Partner Account Executive and Partner Solution Architect respectively.
