VictoriaR@ClimbCS.com

Supporting Supporting TeamViewer in
North America and Latin America from
New England

How Can Victoria Help You?

- Assist with business development and enablement of TeamViewer's solution
- Onboarding of new partners
- Review of partner program & highlights
- Licensing questions and feature sets
- Product demonstrations
- Events, webinars, and training

Victoria has been in the cyber security industry for the past 5 years. She has a strong background in partner enablement and recruitment, making her an excellent fit to support the TeamViewer line from a sales and support perspective. Victoria's focus is to enhance the overall visibility of the TeamViewer brand and uncover new opportunities. She is passionate about helping partners learn and achieving growth!
