Lifeboat to Distribute the Entire Line of Micro Focus Products

Agreement will expand Lifeboat's Micro Focus product offerings in the United States

Eatontown, NJ (January 7, 2019) — Lifeboat Distribution, a subsidiary of Wayside Technology Group, Inc. (NASDAQ: WSTG) and international value-added distributor for disruptive and emerging technologies, announced today the expansion of their agreement with Micro Focus (NYSE: MFGP), one of the largest pure play software companies in the world.

As of today, Lifeboat will be expanding their existing agreement of over 18 years with Micro Focus, to include all Micro Focus products and start servicing reseller partners with their requests for any of the Micro Focus products in the United States.

"We are excited to have been chosen as a Micro Focus Value Added Distributor as part of the new Micro Focus Distribution Program. With the appointment we are now able to offer the entire line of products which now includes the former HPE Software and Attachmate products," said Brian Gilbertson, Vice President and General Manager at Lifeboat Distribution. "We have expanded our dedicated Micro Focus team and are eager to help and enable existing and new Micro Focus partners."

"We are grateful for the longstanding relationship with Lifeboat and look forward to teaming with them as we launch the new Micro Focus Distribution Program in February. Lifeboat is a critical part of our and our mutual partners' success," said Phil Rayment, Vice President of Americas Channels.
